I provide clients with a choice of paying a fee-for-service or allowing me to receive commission from the insurance provider that is recommended. In such cases my hourly rate may be reduced or waived for the initial advice and the Implementation fee. A combination of these methods of payment for my services will also be considered. I can provide you with a fee estimate after assessing your requirements. I do not charge or receive commission on managed investment schemes.

Service Fees	Umais Javed
Hourly rate (or part thereof)	\$440
Advice and/or implementation fee (depending on complexity)	Up to \$25,000
Annual Fee Arrangement (based on funds under management, billed through investment portfolio) <i>For example, if your portfolio is for \$100,000 you will be charged \$1,100 for 12 months. I will consider capping this fee for amounts greater than \$1,000,000 depending on circumstances.</i> (based on service package, billed through agreed method)	Up to 3%

Do I receive remuneration, commission, fees or other benefits in relation to providing the financial services or assistance to you and how is that commission calculated?

1. All fees are paid initially to Shartru Wealth Management (Licensee). Shartru Wealth passes on 100% of all fees received to Pareto Wealth Pty Ltd.

E.g. If your first year's premium is \$500 and the initial commission is 60% Shartru Wealth will receive \$300.
3. The issuer of the insurance product may also pay Shartru Wealth an ongoing commission which can vary depending on the product. It ranges between 8% and 20% of your second and subsequent years premium plus GST. If your premium for the second and subsequent years is \$500 and the ongoing commission is 20% Shartru Wealth will receive \$100 per annum.
4. I may receive a salary, management fee or distribution of profits from Pareto Wealth Pty Ltd and/or Shartru Wealth. The amount of this salary is dependent on a range of factors including the amount of operational expenses required to operate Pareto Wealth Pty Ltd.
